## Summer Volleyball Clinics 2011

We are now taking sign-ups for our summer volleyball clinics. The program will run for six weeks during the month of July & August 2010. We are looking for **girls and boys** ages 9-18 who are motivated to play and learn the fundamentals of volleyball. We will have some private lessons, setter clinics, hitting clinics for three different age levels. Our goal for the summer is to develop young players and fine tune returning players.

New Wave VBC has been teaching and coaching girls ages 9 – 18 for eight years. We will have training available at all levels: beginning, intermediate, and advanced. Our club has been competing in association with Southern California Volleyball Association for eight years. We began initially with players between the ages of 8 – 12 years old, and now have teams from 12's through 18's. This Club Season the majority of our teams competed in the gold division.

The summer clinics will be from July 5<sup>th</sup>, 2011 thru August 12<sup>th</sup>, 2011.
